The parties to this Agreement are sometimes referred to collectively as the “Parties” or individually as a “Party.”

RECITALS:

- A. UTAH CODE ANN. §76-2-408 (the “OICI Statute”) sets forth requirements for the Investigation of Officer Involved Critical incidents (“OICI”) delineated in the statute.
- B. The OICI Statute requires every law enforcement agency to adopt and post by December 31, 2015, (1) the policies and procedures the agency has adopted to select the investigating agency that will investigate an OICI that occurs in its jurisdiction when one or more of its officers are alleged to have caused or contributed to the OICI; and (2) the protocols the agency has adopted to ensure that every OICI investigation conducted in its jurisdiction is conducted professionally, thoroughly, and impartially.

- C. The Parties have determined that the formation of a Utah County OICI Task Force (hereinafter referred to as “Utah County Task Force” or “OICI Task Force”) that will serve as the investigating agency for OICI’s that occur in Utah County will ensure that any investigation of an OICI will be conducted professionally, thoroughly and impartially.
- D. The Parties have determined that the Utah County OICI Task Force will be governed by the Utah County OICI Protocol established to provide uniform procedures for the investigation of OICI’s.
- E. The utilization of a Utah County OICI Task Force to investigate OICI’s is beneficial to the Parties, the citizens of Utah County and the officers who are involved in OICI’s.

NOW, THEREFORE, in consideration of the mutual covenants and undertakings of the Parties hereto, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

1. **General Purpose.** The purpose of this Agreement is to form a Utah County OICI Task Force to meet the requirements set forth in the OICI Statute and to provide improved OICI investigations while avoiding conflicts of interest. Subject to the foregoing, the Parties' formal amendment to this Agreement for the purposes of admitting an applicant as an additional Party shall be unnecessary.

25. Invocation of the OICI Protocol.

This protocol is effective immediately upon the occurrence of an Officer Involved Critical Incident.

- i. In the event of an Officer Involved Critical Incident as defined by UCA 76-2-408, this OICI Protocol is automatically effective.
- ii. The Venue Agency Chief shall immediately notify the County Attorney's Office of an Officer Involved Critical Incident.
- iii. The Venue Agency is required to immediately contact the Task Force Manger/Commander indicating the OICI Protocol has been invoked.
- iv. The Venue Agency Chief, the Utah County Attorney, and the Task Force Manager shall:

- 1) Jointly designate the task force personnel to investigate the Officer Involved Critical Incident; and
 - 2) Designate which law enforcement agency is the lead investigative agency, if the Officer Involved Critical Incident involves multiple investigations.
- v. The lead investigating agency may not be the law enforcement agency employing the officer who is alleged to have caused or contributed to the Officer Involved Critical Incident.
 - vi. Optional: Each Protocol Member Agency, when acting in the capacity of a Venue Agency or Employer Agency, may request activation of the OICI Protocol upon the occurrence of any Officer Involved Critical Incident involving an employee. The Task Force Command will consider the circumstances of the incident when determining whether or not to invoke the OICI Protocol. Upon this optional invocation, the matter will be investigated under the provisions of the OICI Protocol.
 - vii. This section does not preclude the Employer Agency from conducting an internal administrative investigation.

26. Investigative Agencies, Formats and Responsibilities. To properly recognize and accommodate the various interests and the various rules of law which may be involved in an incident, investigations may be performed under two separate investigative formats: the criminal investigation and the administrative investigation.

27. Criminal Investigation.

- a. A criminal investigation that commences pursuant to the invocation of this OICI Protocol has priority over any parallel administrative investigation and will begin immediately following the incident for which this OICI Protocol is invoked.
- b. The criminal investigation of an Officer Involved Critical Incident commences with the invocation of this OICI Protocol, whether that invocation occurs automatically or at the direction of the Venue Agency Chief. Upon the invocation of this OICI Protocol the Venue Agency Chief and the Task Force Manager will select an Incident Manager. Such selection will be from a list of investigators constituted and maintained by Protocol Member Agencies. The selection of an Incident Manager may be made without respect to the rank or title of other investigators on the list who may also be asked to participate in the investigation.
- c. The Venue Agency Chief or his/her designee and the Task Force Manager/Commander shall inform the Incident Manager of the facts of the Officer Involved Critical Incident. The Incident Manager shall then assemble a task force of additional investigators of sufficient numbers to thoroughly and properly investigate the incident for which the OICI Protocol has been invoked. The selection of additional investigators by the Task Force Manager/Commander and the Incident Manager shall also be from the list of specifically designated employees constituted and maintained by Protocol Member Agencies.

- d. Among those investigators selected to constitute the OICI Task Force conducting the criminal investigation there shall be one representative of the Employer Agency. The Incident Manager shall not be from the Employer Agency. One Deputy Utah County Attorney shall also be designated a member of the OICI Task Force by the Incident Manager as well an investigator from the Utah County Attorney's Office.

28. Venue Determination.

- a. When an Officer Involved Critical Incident occurs in part in two or more jurisdictions, each of those jurisdictions is a Venue Agency and the respective Venue Agency Chiefs shall jointly appoint the Incident Manager.
- b. When an Officer Involved Critical Incident occurs on the boundary of two jurisdictions, or under circumstances that make determination of the Venue Agency difficult or places venue in dispute the Venue Agency shall be:
 - i. The Employer Agency if the Actor is employed by either boundary agency;
 - ii. Both boundary agencies if Actors are employed by both; or
 - iii. The agency which has the greater interest in the case by virtue of having the predominant police involvement in the incident or by virtue of having had the majority of acts leading up to the incident occur within its jurisdiction.
 - iv. The Advisory Board shall be the authority to resolve any Venue Agency investigative issues.
- c. Custodial deaths:
 - i. A subject who dies in police or corrections custody falls under the Protocol. If the death was anticipated and the result of a medical condition under the care of a physician, it will be considered an attended death and the OICI Task Force should not respond in accordance with UCA §76-2-408.
 - ii. If the death occurred at a correctional facility, police agency building, or holding area, the Venue Agency is the agency having control of the facility, building, or holding area.
 - iii. If the death occurred outside a correctional facility, the agency having jurisdiction in the area will act as the Venue Agency. The Employer Agency would be the agency that had custody of the subject. Using this scenario, the Venue Agency and employer agency could be the same.
 - iv. Custodial Death Scenes: When an incident occurs in a correctional facility, holding facility or other location and other inmates may be witnesses, those inmates should be identified, and if possible, separated, pending interviews by OICI Task Force investigators.

29. Scene Security.

- a. The Venue Agency is responsible for immediately securing the scene of an Officer Involved Critical Incident. This responsibility includes the preservation and integrity of the scene(s) and its contents, access, control, and the identification and sequestration of witnesses. Responsibility for scene security

may change as the investigation continues and the Incident Manager assumes responsibility for the criminal investigation. If, in the judgment of the senior representative of the Venue Agency, weather, or other factors make it imperative that evidence collection begins prior to the designation of the Incident Manager and constitution of the investigative team, such steps may be taken at the direction of and under the supervision of that representative of the Venue Agency.

- i. The following crime scene procedures and priorities will be observed as fully as circumstances permit:
 - 1) The scene shall be controlled to prevent further injury or criminal activity.
 - 2) Emergency life saving measures have first priority.
 - 3) Injured persons transported to a hospital will be accompanied, in the same vehicle if possible, by a police officer from the Venue Agency who will:
 - (a) Identify, locate, preserve, and take custody of physical evidence which may leave the scene with the injured person.
 - (b) Note and record as accurately as possible any spontaneous or excited utterances or statements which would describe the person's previous mental or physical state or any dying declaration.
 - (c) Maintain custody of the injured person if that person has been arrested.
 - (d) Provide information as may be known, which is necessary for the medical treatment of the injured person.
 - (e) Coordinate and communicate as necessary with investigators at the scene.
 - (f) Provide all information acquired to the Crime Scene Supervisor or Incident Manager.
 - 4) If a firearm or other deadly instrument was used in the Officer Involved Critical Incident, procedures at the scene shall be as follows:
 - (a) If the area is secure, loose firearms or other deadly instruments shall be left in place and undisturbed until removal is directed by the Crime Scene Supervisor or Incident Manager.
 - (b) If the area is not secure the senior representative of the Venue Agency shall decide whether any loose firearms or deadly instruments can be safely left in place or whether immediate removal is necessary. If it is determined that the item or items must be removed immediately all efforts shall be made to photograph the item in place and establish its location with reference to other fixed points.
 - (c) If any officer still has personal possession of a firearm discharged in the course of an Officer Involved Critical Incident, the senior representative present of the Venue Agency shall assign a peer support officer to the officer that discharged his/her firearm to insure the evidentiary value of the weapon is not compromised. When appropriate as deemed by the Venue Agency, and for safety and

evidentiary purposes, the firearm, holster/case and duty belt may be taken as a unit without removing the firearm from the holster/case. As deemed appropriate by the Employer Agency, the involved officer may be given a replacement firearm and duty belt as soon as practical. The items taken shall be immediately secured in a manner consistent with their preservation as items of evidence. The items shall be so maintained until further disposition is ordered by the Crime Scene Supervisor or Incident Manager. The Venue Agency representative to whom the firearms are surrendered shall document facts pertinent to the collection of the items, specifically the make and caliber of the firearm, the person from whom it was received, the item's location at the time it was received, the condition of the item and an indication of how it was used in the incident under investigation. Unless necessary for safety, no attempt shall be made to change the condition of the firearm at the time of its surrender. It shall not be unloaded nor cleared of a jam. The firearm may be made safe to handle by lowering the hammer or putting on the safety so long as those actions taken to make the firearm safe are documented fully by the person taking the actions.

- 5) Law Enforcement Employee Clothing: As deemed appropriate by the Incident Manager, Crime Scene Supervisor, or Interview Supervisor, any officer who discharged a firearm during the course of an Officer Involved Critical Incident, may be required to surrender his or her uniform and any outer-wear worn during the time of the incident.
- 6) Recording Devices (any device designed to capture audio, video or photographic data or images, including but not limited to body cameras, dash cameras, video cameras, cameras, cell phones, audio recorders, etc.) shall be handled in accordance with the following:
 - (a) If any involved or witness officer(s) has personal possession of a recording device during the course of an Officer Involved Critical Incident, the on-scene supervisor or senior representative of the Venue Agency, will insure the recording device is made available to the Incident Manager or his/her representative upon arrival or as soon as practical.
 - (b) The supervisor or senior representative of the Venue Agency will not review any recordings made on the device unless necessary for the safety of others (any review of a recording device may change the recording's metadata).
 - (c) At a minimum the supervisor or senior representative of the Venue Agency shall document the collection of the recording device, including the make and model of the recording device, the person from whom it was received, the time and location it was received, the condition of

the device and an indication of how it was used in the incident under investigation.

- (d) The supervisor or senior representative of the Venue Agency, prior to reviewing or downloading the device's contents, will release the device to the Incident Manager or his/her representative. The Incident Manager (or his/her designee) will download or oversee the download of the contents of the recording device and will provide a copy of the downloaded contents to the Venue Agency as soon as practicable. When practical the recording device will be maintained by the Incident Manager until further disposition is ordered by the County Attorney or his/her designee.

7) Other evidence and the identity of all witnesses shall be preserved.

30. Notifications. Upon identification of an Officer Involved Critical Incident, the Venue Agency shall make the following notifications as promptly as possible:

- a. Intra-department officers as required by the agency's procedures;
- b. The Employer Agency, if applicable and if not yet aware;
- c. The Task Force Manager and the County Attorney or designee; and
- d. The Medical Examiner or designated Investigator upon confirmation of a fatality consistent with the requirements of Utah Code.

31. Appointment of Investigators by Protocol Member Agency.

- a. Each Protocol Member Agency shall designate at least one of its most experienced criminal investigators to be available to participate in the investigation of an Officer Involved Critical Incident. A list of those officers so designated shall be maintained by the Task Force Manager/Commander and be updated semi-annually. A copy of the list shall be provided to each Protocol Member Agency and it is from this list that the Venue Agency Chief and Task Force Manager/Commander shall designate the Incident Manager and from which the task force conducting the criminal investigation of any Officer Involved Critical Incident shall be assembled.
- b. When assembling the OICI Task Force Investigative team for an OICI, the Venue Agency and the Task Force Manager/Commander will, in an effort to avoid creating too much work load for any one agency, take into consideration the number of investigators assigned from any one Protocol Member Agency.
- c. In designating investigators to be listed as available to participate in an Officer Involved Critical Incident investigation, Protocol Member Agencies should consider the following qualifications, characteristics, and attributes of those designated:
 - i. Experience in homicide investigations as well as other crimes against persons.
 - ii. The ability to effectively interview people of various backgrounds including police officers.

- iii. Good working knowledge of physical evidence collection and preservation techniques and an appreciation of the use and limitations of scientific evidence.
- iv. Good knowledge of police operational procedures and the criminal justice system.
- v. Excellent report writing and communication skills.
- vi. Good organizational and supervisory skills.
- vii. Respected professionally by those whom he or she works for being competent, thorough, objective, fair, and honest.
- viii. Ability to both participate in and direct a complicated investigation.

32. Transporting, Sequestering, and Interviewing Officers in an OICI.

- a. Officers who were present at the scene at the time of an Officer Involved Critical Incident, whether as Actors or witnesses, will be relieved of their duties at the scene as promptly as possible and shall be sequestered at their own police station unless other suitable and agreeable arrangements are made for them. Officers from the Venue Agency not involved in the OICI shall be assigned to accompany officers involved in the OICI and remain with them to ensure their privacy, accommodate their needs, and preserve the integrity of each witness officer's report as they may be gathered later. It is highly recommended that certified peer support officers be used during this time.
- b. If circumstances prohibit the removal of all officers involved in the OICI from the scene at one time, those officers who can be identified as Actors as defined herein should be relieved first.
- c. OICI Task Force investigators, witnesses and officers involved in the OICI should be allowed to contact spouses and family members and should be encouraged to relax. Officers involved in the OICI are allowed legal assistance and/or representation prior to and during interviews.
- d. Generally speaking, involved officers will not be interviewed for at least forty-eight hours after the incident in order to provide the best opportunity for recall (two sleep cycles). The involved officer's interview will be transcribed and serve as the officer's report.

33. Video Evidence.

- a. If an Officer Involved Critical Incident is captured on video, the review of this video by the officer is permitted prior to any report writing or interviews. Prior to the involved officer reviewing the video, the task force investigator will read the following advisory:
 - i. Video Advisory:

“You are about to view a camera recording of a use-of-force event. Understand that while this recording depicts visual information from the scene, the human eye and brain are highly likely to perceive some things in stressful situations differently than a camera records

them, so this photographic record may not reflect how the involved officer actually perceived the event.

The recording may depict things that the officer did not see or hear. The officer may have seen or heard things that were not recorded by the camera. Depending on the speed of the camera, some action elements may not have been recorded or may have happened faster than the officer could perceive and absorb them. The camera has captured a 2-dimensional image, which may be different from an officer's 3-dimensional observations. Lighting and angles may also have contributed to different perceptions. And, of course, the camera did not view the scene with the officer's unique experience and training.

Hopefully, this recording will enhance your understanding of the incident. Keep in mind, though, that these video images are only one piece of evidence to be considered in reconstructing and evaluating the totality of the circumstances. Some elements may require further exploration and explanation before the investigation is concluded."

34. **Reports.** Inasmuch as Officer Involved Critical Incidents are of intense interest to the public, expeditious and thorough investigation and resolution of these matters is necessary. Prompt completion and distribution of reports is essential. Agencies involved in the OICI Task Force investigation will submit reports to the Incident Manager or his/her designee as soon as possible after an Officer Involved Critical Incident. The Case Officer will assemble all individual reports and write a comprehensive incident report and submit this report and case file to the Incident Manager for approval. The Incident Manager will then submit this report and the case file to the Utah County Attorney or his/her designee. Upon request the County Attorney's Office will provide copies of the complete case file to the heads of all agencies having officers involved in an incident as Actors or witnesses.
35. **Equipment.** Each member of an OICI Task Force will provide equipment as requested by the Incident Manager whether or not officers from that department are involved in either the criminal or administrative investigation. Officers from the department providing equipment may retain custody and operation of the equipment if it appears the interests of the investigation will be served.
36. **Autopsy.**
 - a. At least one member of the OICI Task Force shall be assigned by the Incident Manager to attend the autopsy. Protocol Member Agencies investigators involved in the OICI, including the administrative investigators, may also attend.

- b. The OICI Task Force investigator assigned to attend the autopsy will brief the medical examiner prior to the post mortem examination. This briefing will be as complete as possible.

37. County Attorney's Office.

- a. The County Attorney's Office has the following roles in Incident Investigations:
 - i. With the Venue Agency Chief and the Task Force Manager/Commander jointly designate the task force personnel to investigate the Officer Involved Critical Incident.
 - ii. Assign at least one attorney from the Utah County Attorney's Office and at least one investigator from the Utah County Attorney's Office to the OICI Task Force.
 - iii. Participate co-equally with other members of the OICI Task Force performing the criminal investigation.
 - iv. Assist and advise the task force on the various criminal law issues which may arise during the investigation.
 - v. The County Attorney's Office will strive to complete its report and findings within two weeks of the completion of the Protocol Investigation. However, this cannot be guaranteed, depending on the complexity of the incident.
 - vi. Upon completion of the criminal investigation, analyze the facts of the incident as well as the relevant law to determine if criminal laws have been violated. If so, prosecute as appropriate or arrange for a special prosecutor.
 - vii. The County Attorney has his or her own independent investigative authority. When deemed appropriate, the County Attorney may conduct an independent investigation of an Officer Involved Critical Incident separate but simultaneous with any other investigation.

38. Employer Agency Administrative Investigation.

- a. This OICI Protocol recognizes the need of the administrative investigators to acquire information about the Incident for the following non-criminal purposes:
 - i. Internal Affairs and determination of whether or not employees have violated department policy or regulation.
 - ii. Agency improvement and determination of whether or not department policies, procedures, programs, equipment, and training are adequate.
 - iii. Acquiring sufficient information concerning an Officer Involved Critical Incident to appropriately inform its parent governmental body and be responsive to the public and the news media.
 - iv. To adequately address claims for damages and prepare for civil litigation that may be initiated by or against the Employer Agency.
- b. While both the criminal and administrative investigations are important and should be aggressively pursued, investigative conflicts between the two formats shall be resolved by allowing the criminal investigation to have priority. It is intended that this prioritization will preclude competition between the two

investigative formats for access to witnesses, physical evidence, and the involved parties and will prevent the criminal investigation from being compromised by an untimely exercise of the Employer Agency's control of the scene, evidence, or witnesses.

- c. The initiation of an administrative investigation and the extent of that investigation is solely the responsibility of the Employer Agency. If an administrative investigation is being conducted, the Employer Agency should immediately assign administrative investigators upon being notified of the Officer Involved Critical Incident. Administrative investigators will be identified to the Incident Manager at the earliest possible opportunity. In addition to gathering information for the Employer Agency, it is anticipated that administrative investigators will act as a liaison between the Incident Manager and the Employer Agency even if no actual investigation is being conducted by the Employer Agency.
- d. Interview statements, physical evidence, toxicology test results, and investigative leads which are obtained by administrative investigators by ordering police employees to cooperate shall not be revealed to criminal investigators without the prior approval of the County Attorney following a determination of need and evaluation of the applicable law.
- e. The Incident Manager will periodically brief the administrative investigators on the progress of the criminal investigation. The administrative investigators will have access to briefings, the incident scene, physical evidence, and witness statements. Unless, for good reason it is determined otherwise, the County Attorney's Office will provide to the Employer Agency his or her findings of fact and a complete copy of the case file prepared by the task force investigators. A copy of the County Attorney's findings of fact will also be provided to the Incident Manager.

39. Evidence.

- a. Evidence gathered at the scene will be booked and held at the Utah County Sheriff's Evidence facility by the Utah County Forensic/Evidence Unit. Booking procedures outlined by Utah County Forensic/Evidence staff shall be followed.

40. Report Writing.

- a. The Incident Manager will decide which investigator is responsible for a particular report. OICI Task Force investigators should not write more than one report on an interview or event, regardless of the number of interviews involved. OICI Task Force investigators are responsible for the final report of the Task Force investigation. Prior to submitting a law enforcement (employee) interview report, the interviewed employee should have the opportunity to review the report. All OICI Task Force investigators shall coordinate with the Task Force Manager/Commander to write a final report which documents their participation in the investigation.

- b. Prompt completion and distribution of reports is essential. All agencies and investigators will strive for report completion and distribution as soon as possible while ensuring all information is obtained accurately prior to completion.

41. GRAMA Requests.

- a. GRAMA requests as a rule should not be filled until the investigation is concluded. GRAMA requests shall be the responsibility of the Venue Agency and the Utah County Attorney's office. The Venue Agency and the County Attorney's office should consult with one another prior to fulfilling any GRAMA requests. GRAMA rules and regulations shall be followed.

42. News Media Relations.

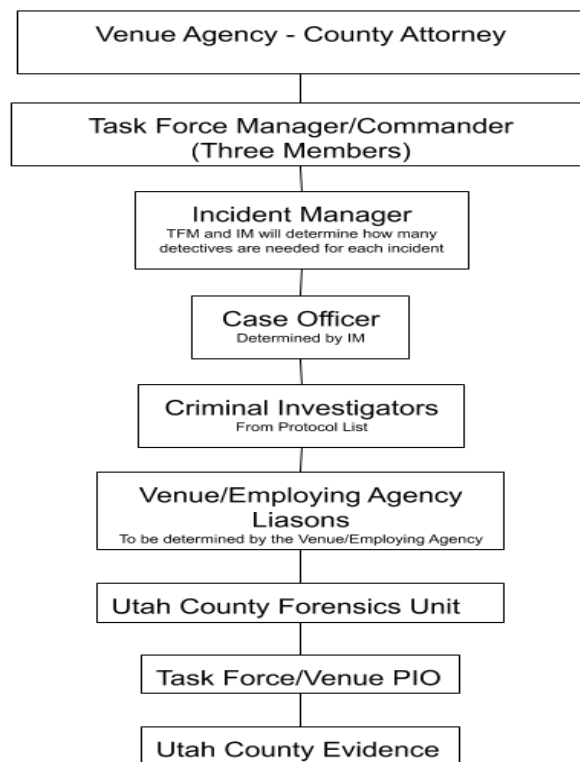

- a. The interests of the news media must be balanced with the requirements of the investigation and with the rights of the involved individuals.
- b. While any agency cannot be prohibited from making statements to the news media about an incident, these guidelines are established:
 - i. The Venue Agency Chief or designee has the responsibility for making press releases about the Incident and its investigation until such time as the matter is referred to the County Attorney's Office.
 - ii. The Incident Manager will provide the Venue Agency with information from which a press release can be made.
 - iii. Other participants in the investigation should refrain from making separate press releases or discussing the investigation with the press. If the Employer Agency is not also the Venue Agency, fewer problems will arise, especially at the early stages of the investigation, if the Employer Agency limits its comments to information which has been cleared for release by the Venue Agency.

43. Reporting to Board and Training.

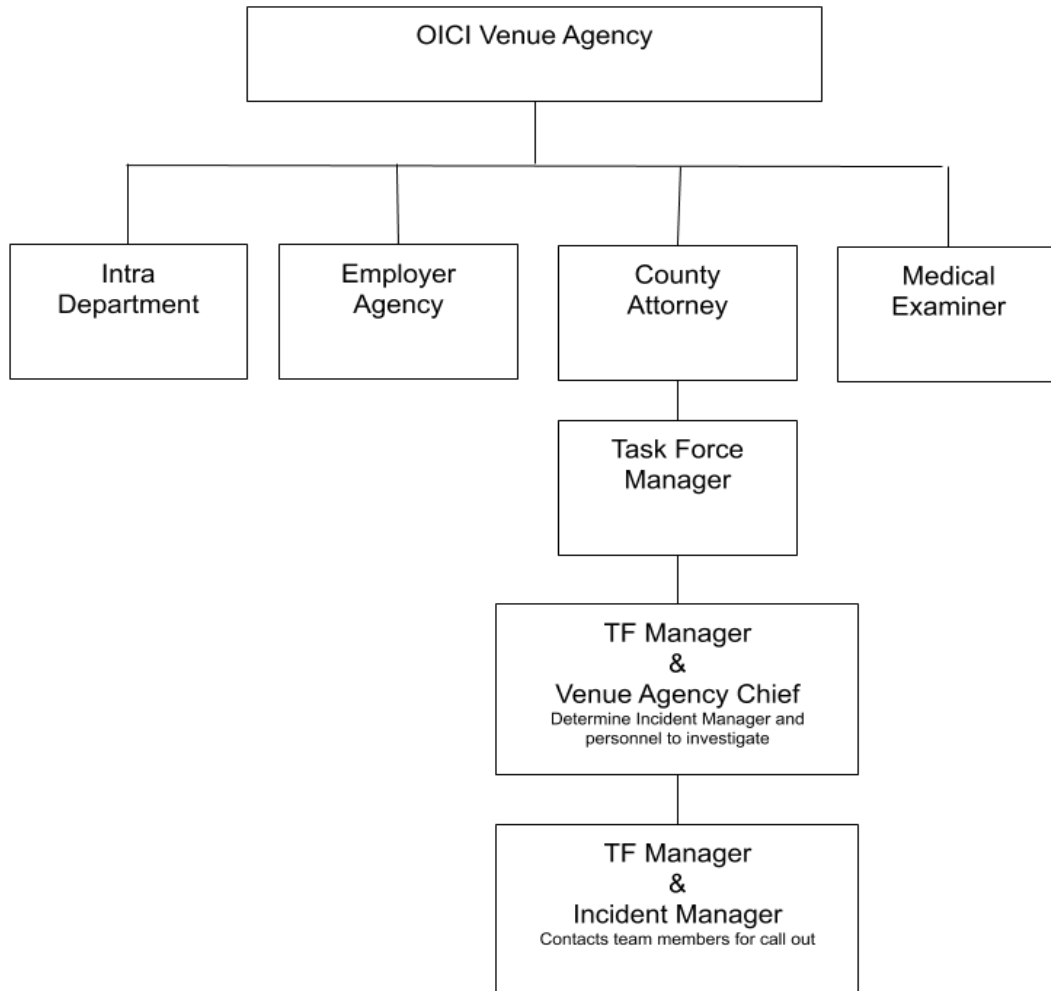

- a. The Task Force Manager/Commander(s) will report to the Advisory Board once per quarter at the monthly Chief Law Enforcement Executives meeting. This report will include but not be limited to, ongoing investigations, training held and to be held for team members, personnel issues and other needs.
- b. The Task Force Manager/Commander(s) will hold quarterly training for OICI Task Force members on; policy, investigative techniques, best practices, court findings and other necessary matters.
- c. OICI Task force members are required to attend two of the four trainings, however it is preferred that 100% attendance is maintained.
- d. The OICI Board by vote, may require participating agencies to pay an agreed amount of \$20.00 annually into a fund to be used for training purposes. If there is a vote to collect funds the OICI Board will vote on a participating agency to invoice and hold the monies in an agreed account. An annual accounting of

these monies collected and used will be documented and shared with the OICI Board by a Task Force Manager/Commander during a board meeting.
